

# BED BUG PREP SHEET

On \_\_\_\_\_ our technician will be arriving at your home to treat for Bed Bugs. Please be READY TO GO by \_\_\_\_\_.

All people and pets must be prepared to leave for 6 hours. Anybody pregnant, under 2 or with respiratory issues must vacate for 24 hours.

Please complete the following **BEFORE** your treatment. If you have any questions, please call our office for clarification.

1. Remove all of the linens from all the beds in the home, not just the active room(s). Put all these linens into bags.
2. Remove all of the clothing in the dresser drawers and put them into bags.
3. Any clothing in the closets that are below waist level or on the floor, put those into bags.
4. Shoes, hanging clothes and non-clothing items in the closet(s) can be left where they are.
5. All of the items in these bags are to be washed in the dryer for at least 30 minutes. This can either be done before or after treatment, it does not make a difference, but the items **CAN NOT GO BACK INTO THE DRESSER DRAWERS UNTIL AFTER THE SECOND SERVICE.**
6. Please clear out all side tables and end tables, exposing the drawer.
7. Bookcases, china cabinets, shelving etc. do not need to be touched. Toodaloo technicians have equipment and machines to treat these areas without disturbing them.
8. Unplug all computers.
9. No preparation is needed in the kitchen.
10. Vacuum all floor areas prior to treatment. Discard vacuum bag immediately.
11. Fish tanks need to be unplugged and a towel put over top for the duration of treatment.

If you have any questions regarding preparation, please call our office for details and clarification.
