

## FLEA PREP SHEET

On \_\_\_\_\_ our technician will be arriving at your home to treat for Fleas. Please be **READY TO GO** by \_\_\_\_\_.

All people and pets must be prepared to leave for 6 hours. Anybody pregnant, under 2 or with respiratory issues must vacate for 24 hours.

Please complete the following **BEFORE** your treatment. If you have any questions, please call our office for clarification.

1. Vacuum all floor surfaces. Pay special attention to the perimeter of rooms. Any hard floor surfaces should be swept or vacuumed and washed.
2. Make sure all windows are closed prior to treatment.
3. Lift as many items up off of the floor as possible, especially closets, exposing as much floor space as possible.
4. If possible, please have all furniture pulled away from the walls. 1-2 feet will do.
5. All aquariums are to be unplugged and a towel put over top for the duration of the treatment.

If you have any questions regarding preparation, please call our office for details and clarification.
